

# Mayor Richardson meets with Cub Scout Pack #159

On Thursday evening November 8th, 2018, Mayor Richardson met with Cub Scout Pack #159 in Town Hall to answer questions about the role and responsibilities of a Mayor and to discuss how local government works in Waterford Township.

The scouts, along with their leader Karen Buffington, earned points towards their badges involving government. In this activity the scouts learn about citizenship, local government and improving communities.

Mayor Richardson commented how *“wonderful it is to see our younger residents take an interest in their community and how their government works.”* He also joked with the scouts, and had them sit alongside him on the dais, making them honorary Deputy Mayor, Director of Finance and Township Solicitor for the evening.

Mayor Richardson enjoyed speaking with the boys and is so very proud of their accomplishments thus far. On behalf of Mayor Richardson and the rest of Township Committee, CONGRATULATIONS to these fine scouts, we are excited to watch what these adventures bring for our communities future Leaders!
